Significant or unusual exclusions and limitations

There are some situations which you are not covered for. These generally involve anything you already know about or that is caused by deliberate or careless acts on your part. Full details of these are given in the policy document.

The most significant exclusions of this policy are set out below. There may be other exclusions that are significant to you, so you need to check the policy document for full details.

- This policy contains restrictions on what cover is in place for claims arising from terrorist activity. Only valid claims for emergency medical expenses and personal accident will be paid.
- This policy will NOT cover any claims under Section 5 (Cancellation or Curtailment) arising directly or indirectly from any pre-existing medical condition known to you prior to the commencement of the period of insurance affecting any close relative or travelling companion who is not insured under this policy, or person with whom you intend to stay whilst on your trip if:
 - a terminal diagnosis had been received prior to the commencement of the period of insurance; or
 - if they were on a waiting-list for, or had knowledge of the need for, surgery, inpatient treatment or investigation at any hospital or clinic at the commencement of the period of insurance;
or if during the 90 days immediately prior to the commencement of the period of insurance they had:
 - required surgery, inpatient treatment or hospital consultations; or
 - required any form of treatment or prescribed medication.
- No claim arising directly or indirectly from any pre-existing medical condition affecting any person travelling under this insurance will be covered.
- No section of this policy shall apply in respect of any claim arising directly or indirectly from your drug addiction or solvent abuse, excessive alcohol intake, or being under the influence of alcohol (including but not exclusively having a blood alcohol reading of more than 150mg per 100ml) or drug(s).
- No section of this policy shall apply in respect of any person who has reached the age of 56.
- This policy contains strict limits on the length of time you can spend travelling abroad on each trip. Please refer to the definition of the word 'trip' in the Definitions. IF YOU TRAVEL FOR MORE THAN THE NUMBER OF DAYS FOR WHICH YOU HAVE PAID FOR COVER, YOU WILL NOT BE COVERED AFTER THE LAST DAY FOR WHICH YOU HAVE PAID. Trips must commence and end in your home country and a return ticket must have been booked prior to departure. The policy must be bought before you leave your home country.
- In the event of a medical emergency you must contact us as soon as possible. You MUST contact us before incurring expenses in excess of £500. If you are physically prevented from contacting us immediately, you or someone designated by you must contact us within 48 hours.
- We only provide cover under sections 1, 3, 4 and 5 of this policy, for claims that come from complications of pregnancy and childbirth.
- Personal property claims are paid based on the value of the goods at the time that they are lost and not on a 'new for old basis' or replacement cost basis; thus a deduction is made for wear, tear and depreciation bearing in mind the age of the items. Payment of any claims in respect of any one article or pair or set of articles will be limited to £50 unless satisfactory proof of ownership is submitted. Evidence of replacement value is not sufficient.
- We will not pay for any claim arising from any deliberately careless or deliberately negligent act or omission by you, nor for any claim arising or resulting from your own illegal or criminal act.
- You are only covered for cruise trips when you have paid for the cruise upgrade.
